Financial Policy

The providers of this office are contracted with many of the local and national managed care plans. However, there are some plans that we do not currently have contracts with. If you belong to a plan that we are not contracted with, our insurance/billing office will be glad to file a claim for you with the understanding that full payment is due at the time of service. Your claim will probably be applied to an out-of-network deductible or totally rejected. We do not file claims to or accept Medicaid.

It is important for you to understand that the patient is ultimately responsible for the fees that are not covered by the provider in this case. If you have any questions concerning the coverage your plan has with Coastal Urgent Care, please call the patient relations department of your provider.

The responsible party will also be responsible for any durable medical equipment (splints, crutches, ace wraps, etc.) and medications not covered by the insurance plan or applied towards the deductible.

Thank you.
